Top 5 spend share	42.0%

INSIGHT

12 of 19 suppliers are Class A (first 80% of spend) and the top 5 hold only 42.0% — spend is fragmented: low single-supplier dependency, untapped volume leverage.

Class A suppliers rated Watchlist or High Risk: 3, holding 24.2% of spend — the largest exposure to fix first.

ABC measures financial exposure only; read it with the Performance Tier column.
